● How Do I Reserve My Date?

Call the office first to be sure your date is open. A \$200.00 deposit will be due to reserve your date. This can be paid through our website under “online giving” or via check mailed to the office. Please enter your names followed by “wedding” in the memo or notes section. You will also receive a venue contract.

● Plan Ahead...

In addition to the building rental on your special day, the total cost also includes time for your rehearsal. If you plan to host a rehearsal DINNER there will be an additional \$100 fee (clean up charge, given directly to our custodian). In this case, vendors are also permitted during this time for food services. Please coordinate with the office or wedding coordinator to pick a day and time.

● Know What’s Required.

We do require premarital counseling with our senior pastor. There are 4 sessions, and the meetings can be done in person or through zoom. Premarital counseling materials are included in the total cost.

What Others Say...

Beautiful, warm, and welcoming church. My daughter and son-in-law recently joined this church because of how they feel like they have found a great church family. They were just married here and it was beautiful! Pastor Dan and all the staff are wonderful.”
